PRESS RELEASE

Provincial Disaster Management Authority Sindh has issued rainfall advisory in which PDMA has directed all District Disaster Management Authorities (DDMAs) of Sindh to remain alert for possible heavy rainfall in Southern Sindh & moderate to high rainfall in northern Sindh. PDMA has further instructed all concerned line departments to take precautionary steps to ensure safety of life & property. PDMA has also advised K-Electric, HESCO, SEPCO to ensure continues supply of electricity to all pumping stations for smooth drainage of water. PDMA has provided dewatering pumps to more vulnerable districts to augment their dewatering efforts.
