HEAT WAVE – ALERT

Subject: HEATWAVE IS LIKELY TO BECOME SEVERE AGAIN FROM 18TH MAY ONWARDS.

Pakistan Metrological Department has informed that Heat wave likely to become **severe** again from **18th May** onwards. Daytime maximum temperature may rise to **48-50°C** in **Dadu, Jacobabad, Larkana, Sukkur, Khairpur, Nawabshah, Shikarpur, Qambar Shahdadkot & Ghotki** districts, while **44-46°C** in **Hyderabad, Mirpurkhas, Umerkot, Sanghar & Tharparkar** districts. **Thatta & Badin** may experience **40-42°C**.

Karachi weather to remain hot & humid with maximum temperature **38-40°C** today & tomorrow..

Keeping above in view, it is recommended that concerned DDMA's and other Relevant Authorities / Stakeholders take all necessary mitigation measures including:

- Establishment of Heatstroke Stabilization Centers with increased number / Relief Centers at Government and Private Hospitals, Basic / Rural Health Units (B/RHUs), any available government buildings and community centers with generator based electricity and assured provision / availability of water.
- Improve coordination with emergency services, also between various departments.
- Enhance awareness campaign to educate the public on preventive measures.
- Establishment of helpline to address needs of affected people at priority basis
- Assist general public in provision of water and necessary emergency medicines for heat stroke victims.
- Stockpile necessary emergency relief / medicine stores in drought-affected areas.
- Authorities to take appropriate water conservation measures in both urban and rural areas.
- Ensure availability of uninterrupted power supply through intimate coordination with concerned departments and provision / availability of standby generators for heatstroke centers/hospitals.
- Emergency services and ambulances with trained paramedics to remain available around the clock, especially during daytime.
- Emergency Services / Fire Brigades to remain alert against possible fires and undertake preventative measures against fires where possible.
- Coordinate with concerned departments (NHA, NH&MP and FWO) for issuing necessary alerts to travellers, especially over long distances to take precautionary measures to avoid over exposure.
- Ensure that farmers, dairy farmers and cattle breeders are informed of greater requirement of water for standing crops, orchards, plantations and cattle

(Maqsood Hussain Soomro)
Assistant Director (Operations)

A copy is forwarded for information & necessary action to:

1. The Secretary to Government of Sindh, Health Department, Karachi.
2. The Secretary to Government of Sindh, Agriculture Department, Karachi.
